

TECHNICAL SHEET

GENERAL INFORMATION

Vintage: 2020

Region: IG Tejo

Varieties: Alicante
Bouschet

VINEYARD

Altitude: 50 m

Soil: Sandy and pebble soils

Orientation: East-West

VINIFICATION

The grapes are harvested by hand, only during the morning to preserve maximum of the nightly freshness and preserving maximum quality. When they arrive at the cellar they are subjected to a rigorous sorting, being crushed and destemmed, followed by fermentation in the lagar. After finishing alcoholic fermentation, malolactic fermentation has already taken place in used French oak barrels and aged for 18-months.
